

What Now My Love

[Lee Morgan](#)

What now my love, now that you've left me
How can I live through another day
Watching my dreams turn to ashes
And my hopes turn to bits of clay? Once I could see, once I could feel
Now I am numb, I've become unreal
I walk the night, without a goal
Stripped of my heart and my soul What now my love, now that it's over?
I feel the world falling all around me
Here come the stars, tumbling around me
There's the sky, where that sea should be What now my love, now that you're gone?
I'd be a fool to go on and on
No one would care, no one would cry
If I should live if I should live or die
