

Kickstarts (9Bar Remix)

Example

You want me to come over I got an excuse
Might be holding your hand, but I'm holding it loose
Go to talk then we choke its like our necks in a noose
Avoid the obvious we should be facing the truthStart to think it could be fizzling out
Kinda shocked because I never really had any doubts
Look into your eyes imagine life with out yaAnd the love kick starts again
Starts againAnd the Love kick starts again
Starts againIts the same old you the same old me
You get bored and I get cold feet
Get high get wandering eyes
Forget I've never ever had it so sweet
I realize what I got when I'm out of town
Cause deep down you're my girl in a golden crown
My princess and I don't wanna let you down
No I don't wanna let you down down down downYou want me to come over I got an excuse
Might be holding your hand but im holding it loose
Go to talk then we choke its like our necks in a noose
Avoid the obvious we should be facing the truthStart to think it could be fizzling out
Kinda shocked because I never really had any doubts
Look into your eyes imagine life with out yaKick starts againStart to think it could be fizzling out
Kinda shocked because I never really had any doubts
Look into your eyes imagine life with out ya
Imagine life with out ya
Imagine life with out ya
Imagine life with out yaAnd the love kick starts again
Starts againAnd the love kick starts again
