Scowl

The Story So Far

Tell me, did you practice what you said to me?
Was never there when I was supposed to be
Is that supposed to be some kind of joke to me?
Leave home, tour hard, then weâ€™ll see

Change up your face, attempt to erase
But youâ€™ll never feel the void in my space
Iâ€™m off, off this bad taste
Wasting my time, my time in one place

When you left, you ruined your name for me
I wear a scowl so that they can always see
Nowhere near where I wanna be
Grinding all my teeth again

Change up your face, attempt to erase
But youâ€™ll never feel the void in my space
Iâ€™m off, off this bad taste
Wasting my time, my time in one place

Attract to me, come back to me
Iâ€™m waiting on you so patiently
Someday soon I hope to see
That youâ€™re feeling indigo way down in your soul
Itâ€™s all facade, it has to be
Youâ€™re planning on it so carefully
Let a couple years roll by, bet we come back to this again

Change up your face, attempt to erase
But youâ€™ll never feel the void in my space
Iâ€™m off, off this bad taste
Wasting my time, my time in one place
