

Wild Wild Love

Pitbull Ft. G.R.L.

[Hook: GRL]

Oh this wild wild love of ours

It can't be tamed, no

All this wild wild love of ours

It can't be tamed, no

For better or worse

A blessing or a curse

Long live this wild wild love of ours

Long live this wild wild love[Verse 1: Pitbull]

Ladies and gentleman

You're looking at the new play boy

Who you?

That's right, Armando Christian Perez

And when it comes to that pretty lil' bitty kitty

Don't stop get it get it baby let me pet it

I got that wild love

Love to get wild dirty freaky nasty, yeah I said it

I'll make you lose your heart and your mind at the same time

Don't believe me, bet it

I'm obsessed with that wild love for sure

Even though it's a catch 22

It's a gift and curse for sure

But baby you know that you love it too, that's why

You need it, you want it (hey)

All over your body

This loving I'm giving

It's worth more than money

You need it, you want it

All over your body (hey)

I know that you want this

Wild, wild, love[Hook: GRL]

All this wild wild love of ours

It can't be tamed, no

All this wild wild love of ours

It can't be tamed, no

For better or worse

A blessing or a curse

Long live this wild wild love of ours

For better or worse

A blessing or a curse
Long live this wild wild love of ours[Verse 2: Pitbull]
Not only am I a client I'm the player president
The globe is my backyard, baby it's evident
When it comes to Miami, I always represent
Read all about, ladies and gents
I'm the done took over the game
I like my women yin
I like my women yang
I like my women fine
I like them off the chain
Take 'em all to the world cup, Brazil to-do-bang
You know I meet 'em, greet 'em, read 'em
Treat 'em, always keep them feeling right
I don't know if I can handle all five
But maybe we can try tonight, dale You need it, you want it
All over your body (hey)
This loving I'm giving
It's worth more money
You need it, you want it
All over your body (hey)
I know that you want this
Wild, wild, love[Hook: GRL]
This wild wild love of ours
It can't be tamed, no
This wild wild love of ours
It can't be tamed, no
For better or worse
A blessing or a curse
Long live this wild wild love This wild wild love of ours
It can't be tamed, no
Oh this wild wild love of ours
It can't be tamed, no
Oh for better or worse
A blessing or a curse
