Sing Boy Sing

Scott Walker

Whenever I get lonely, sing boy sing.
When life goes kinda sadly, sing boy sing.When I start to open my mouth and sing this song
makes everything right that once was wrong.
Even the cuckoo in the clock on the wall
just havin' him stop the natural ball.Sing boy sing, sing boy sing,
Sing boy sing, sing all your blues away.I've done a lot of travelling, sing boy sing.
Like a ball of twine unravelling, sing boy sing.
When I start to open my mouth and sing this song
hop on the choo-choo, then chug along
I don't care if I get bad news,
I just sing this song and say so long blues
