

Mathematics (Mad Influence remix)

Candiria

CHAPTER ONEagonizing
Global blinding has come in full
Suffocate the remaining percent
Subtract
All is expendable
A thousand points of heat
Bacteria son of disease
Mourning breath ammonia thirst quenching leach
Tapping the network of veins
Genetic harvest in vain
Licking the wounds uncontrollably
Systems of gain
Sour heart reeks casualtiesCHAPTER TWOall the bread has molded fungus dwells inside
Multiple
Estimates
Convincing with their graphic pride
The mask that suffocates bleeds in me
All is to believe but we are pawns poisoned
In quantities
The
Arsenic hysteria
Like fleas on a dog irritating
This
Microwave insomnia
No strength
No heart
No option
Blugeoned with diversions
Concentrated dose
Exterminate the addiction
High vantage point
Chlorine infliction death
No microchip
Shall rest underneath my flesh
I'd prefer the obstacles of death
I will fill the tombs worthy of consequenceCHAPTER THREEepileptic cancer causing agents
Starved
Lack of nutrition
Will you live this life on calloused knees?

Neck broken in?
 Particles of mass deception forced in
 Corrosive sting
 Stall
 The all seeing eye sees all
 The most relevant faction
 Foundations fractured
 Economic death
 Sarcastic devotion runs in excess
 Sew my lips and burn my opened eyes
 One soul divine
 The engines are running mind altering
 The most vile of things
 Man has ever seen
 Inspiring
 To know all these
 Admiring
 My eyes are leaking viciously
 Dissecting the harsh anatomyCHAPTER FOURthe devils suck the life out
 Injecting america with blood disease
 The reason and cause my friend, no room for vacancy
 Decrease the numbers with crack and poverty
 Methamphetamine
 Cling to this massacre of excuses
 Fully aware of the hidden agendasCHAPTER FIVEisolated
 Silent warfare germ gestapo
 All of the seeds condemned
 Controlling and disabled
 The greed infection in disguise
 Behold united lambs of slavery
 Rhythm of extremities amplifies
 The source is namelessCHAPTER SIX
 Miralo, ahora para la eleccion
 El camino del guerrero, en caminos de revolucion
 Yo vengo preparao cargando mi cañón
 Yo vengo preparao con los santos a mi lado
 INJUSTICIA
