Fearless Flyer

Harold Payne

Fearless Flyer
Harold Payne

Iâ€™m a fearless flyer, Iâ€™m a wind rider
I am all I need to be.
In the pouring rain of a hurricane
I am flying fearlessly.

I am the rose of winter
blooming in the snow
reaching for the sky above
from the earth below.
Growing from a tiny seed
Awakening these dreams
Believing in the miracle of Spring

Iâ€™m a fearless flyer, Iâ€™m a wind rider
I am all I need to be.
In the pouring rain of a hurricane
I am flying fearlessly.

Standing on a mountain top
I take a leap of faith
Knowing itâ€™s a moment that cannot wait.
Rolling with the changing current
Dancing with the breeze
As inspiration carries me
Where my soul is meant to be.

Iâ€™m a fearless flyer, Iâ€™m a wind rider
I am all I need to be.
In the pouring rain of a hurricane
I am flying fearlessly.

Here in the silence
the shadows grow long
Just like the shining sun,
Iâ€™m rising with the dawn

Iâ€™m a fearless flyer, Iâ€™m a wind rider

I am all I need to be.
In the pouring rain of a hurricane
I am flying fearlessly.
(repeat)
(tagâ€¦)I am flying fearlessly.
