Sing out! Calypso Lady! Come on!
People dancing everywhereCalypso music in the air.
Lady
you're driving me crazy all nightI need your loving
but all you do is tease meand that ain't right.People dancing everywhere
Calypso music in the airOh
you're driving me wild
Calypso Lady.
People dancing all oround
Calypso Lady
shake it downOh
when you're driving me wild
Calypso crazy.Lady
come on out to party
make it rightI'd love to touch you
yeah
and feel you close beside me.
I wanna hold you tight!People dancing everywhere
Calypso music in the air
. . .People dancing everywhere
Calypso music in the airOh
you're driving me wild
Calypso Lady.And if you should ask me now what I feelOh
I tell you that you're the one I love.
So if you wanna take a chance with me
one day
and you'll see.
Oh
let it be
let it be me!People dancing everywhere
Calypso music in the air- Oh
I wanna dance with you. -
People doncing all around
Calypso Lady
shake it down- I wanna dance with you!People dancing everywhere
Calypsa music in the air
. . .
People dancing everywhere
Calypso music in the air

. . .
People dancing everywhere
Calypso music in the air
