

# You Would Know

## Queens of the Stone Age

Me just happy robot  
Live on hill of beans  
You and I cut from same cloth  
Rippin' at the seams Cut, snip, cut Don't forget to remember  
The devil's got pills in his eyes  
Look, laugh, but don't touch  
Cut you down to size Cut, up, cut  
(Shut up)  
Cut, up, cut You would know My girl's all out of focus  
It ain't no big surprise  
Daddy got his gun loaded  
Got cross hairs in his eyes Shut up, oh  
Shut up, oh You would know You would know  
You would know  
You would know
