## Young Buck

And ay nigga, I need niggas to take they fuckin hat off  
Cause you know why? Pimp C is motherfuckin home BITCH~!  
That's my motherfuckin homeboy, and we doin it big  
Shoutout to Bun B nigga, I see you nigga!  
That's how real niggas hold they motherfuckin homies down nigga!  
And any nigga hatin on it  
Nigga you'll get it nigga  
Shoutout to Pimp C, and Project Pat nigga  
That Tennessee shit nigga, they all comin back nigga  
They here now nigga, they at home  
My brother get out the penitentiary soon  
And he ain't no rapper  
Nigga - he a trapper!  
So the streets 'bout to feel it nigga  
Lil' Jimmy I see you!  
Nigga - I see my niggas when they get home  
And you know it's gon' have a ribbon on that bitch  
Waitin outside of the penitentiary nigga  
Whatever you want nigga  
Holla at a real nigga  
In your mouth, bitch!
