

# Wonderin'

## Little Richard

I'm wonderin'  
Do you love me  
Anymore  
Oh yeah  
I'm wonderin'  
Do you love me  
Anymore  
Oh yeah  
If you love me  
Like I love you  
Then we can make all this dreams come true  
And I'll be wonderin'  
Oh what am I, I'm gonna do  
Oh yeah  
I cried  
Yes I cried  
Over you  
Oh yeah  
I cried  
Cause you're being  
being so untrue  
Now I know  
You don't love me  
You pretend that you do  
Now I'm wonderin'  
What am I  
I'm gonna do  
Oh yeah  
My heart  
Is so  
So full of pain!  
Oh yeah  
And my soul  
Is so  
So full of pain  
Oh yeah  
Now I know  
You don't love me  
You pretend that you do

Now I'm wonderin'

What am I

I'm gonna do

Oh yeah
