

# Friends of Mine

## Adam Green

And we live on borrowed time  
But this head shot's pretty good  
I've been scheming for too long  
I was starstruck by your momWe fall in love by accident  
A heavenly coincidence  
No matter what you think is true  
Let me introduce you to some  
Friends of mine, oh, friends of mine  
Oh, friends of mine, oh, friends of mineAnd we brake for passing cars  
In the pistol ripping chase  
I regret the drugs you lost  
So I skipped our second dateWe fall in love by accident  
A heavenly coincidence  
No matter what you think is true  
Let me introduce you to some  
Friends of mine, oh, friends of mine  
Oh, friends of mine, oh, friends of mineWe fall in love by accident  
A heavenly coincidence  
No matter what you think is true  
Let me introduce you toCan't figure out this place  
Guess someone hates my guts  
I handed him the sign  
Oh, friends of mine
