

# Strange I Know

## The Marvelettes

It's strange, I know, but that's the way it goes  
Leaving you this way, I'm sorry to say  
That my love has faded, faded away  
It happened while you were gone  
You stayed away too long  
You didn't write or even call  
I thought you didn't care at all  
I was sad as I could be  
The same boy who's fella to me  
But oh how I tried to resist him, oh how I tried to resist him  
But my heart told me to keep him, my heart told me to keep him  
It's strange, I know, but that's the way it goes  
Leaving you this way, I'm sorry to say  
When you get home, I'll be gone  
Asked my papa for your letter that I put aside  
When you finish the letter, I'll be Eddie's bride  
It's strange, I know, but that's the way it goes  
Leaving you this way, but that's the way it goes  
It's strange, I know  
But that's they way, that's they way, that's the way, that's the way it goes  
Oh it's strange I know
