Take a Chance (X)

Jimmy Gnecco

Ohhh ohhh oh ohohohhhhh
These are my hands I had to work for them
these are the days I care so much for them
These are the signs we kill them for them
those are demands I never ever makeOhhh oh oh ohhhh ohohohohI understand when theres another down
You lend a hand, so much it pulls you down
But understand when you give all you have
You hurt yourself
And neveryone around
And there you were there you wereYou put yourself where you where
And there you were where you where
You put yourself where you were
oh oh oh ohohhoh
And there you were there you were
You put yourself where you where
And there you were where you where
You put yourself where you wereoh oh oh ohohhoh
