

DYKL (Don't You Kill Love)

[Ziggy Marley](#)

Don't you kill love
Don't you kill love
Don't you kill love In the blink of an eye, time passes us by, where does it go?
Now will you take a stand for love? I am forever more
These wars have wounded my heart so my trust breaks apart
And to human I say these words Don't you kill love
Don't you kill love
Don't you kill love This chance we should not miss to share this sacred bliss
And spread it all around, I'm gonna spread it all around
My heart been broke before but still I must endure
Keep the spirits high, keep the spirits high 'Cause it's the greatest things in life
Calls for the most sacrifice
Are we brave, are we brave enough? Don't you kill love
(Don't you kill love, don't you kill love)
Don't you kill love
(Don't you kill love, don't you kill love)
Don't you kill love
(Don't you kill love, don't you kill love)
Don't you kill love
