

This Is It

Kenny Loggins

There've been times in my life
I've been wondering why
Still somehow I believed
We'd always survive Now I'm not so sure
You're waiting to hear
One good reason to try
But what more can I say?
What's left to provide? You think that maybe it's over
Only if you want it to be
Are you gonna wait for your sign, your miracle?
Stand up and fight (This is it)
Make no mistake where you are
(This is it)
Your back's to the corner
(This is it)
Don't be a fool anymore
(This is it)
The waiting is over No room to run, no way to hide
No time for wondering why
It's here, the moment is now
About to decide Let him believe or leave him behind
But keep me near in your heart
And know, whatever you do
I'm here by your side You said that maybe it's over
Not if you don't want it to be
For once in your life, here's your miracle
Stand up and fight (This is it)
Make no mistake where you are
(This is it)
You're going no further
(This is it)
Until it's over and done (No one can tell you what you know)
(Who makes the choice of how it goes)
It's not up to me this time
(You know)
There comes a day in every life (This is it)
Make no mistake where you are
(This is it)
You're going no further

(This is it)
Until it's over and done
(This is it)
One way or another
(This is it) No one can tell what the future holds
(This is it)
Your back's to the corner
(This is it)
You make the choice of how it goes
(This is it)
The waiting is over
(This is it) No one can tell what the future holds
(This is it)
You're going no further
(This is it)
You make the choice of how it goes
