

# Put Your Arms Around Me

Lola Albright

That original feeling never went away  
That's why I'm standing here today  
So many ups and downs and nothing's changed  
That's why you know I'm here to stay  
So put your arms around me and then stay there forever  
Let it always be this way, you and me together  
So put your arms around me and I'll never let go  
I know they're easy words to say but I mean it more then ever  
Your's is the kind of love, makes nothing else feel good enough  
And I'm never gonna give you up, oh no, oh no  
That original feeling never went away  
That's why I'm standing here today  
Ain't nobody gonna take your place  
Only you make me feel this way  
So many ups and downs and nothing's changed  
That's why you know I'm here to stay  
Ain't nobody gonna replace  
Only you make me feel this safe  
So put your arms around me and then stay there forever  
Let it always be this way, you and me together  
So put you arms around me and I'll never let go  
I know they're easy words to say but I mean it more then ever  
Your's is the kind of love, makes nothing else feel good enough  
And I'm never gonna give you up, oh no, oh no  
Your's is the kind of love, makes nothing else feel good enough  
And I'm never gonna give you up, oh no, oh no  
I can't explain what's the glue that holds us in  
I can't refrain, if I had the chance I'd do it over again  
So put your arms around me  
So put your arms around me and then stay there forever  
Let it always be this way, you and me together  
So put your arms around me and I'll never let go  
I know they're easy words to say but I mean it more then ever  
So put your arms around me and then stay there forever  
Let it always be this way, you and me together  
So put your arms around me and I'll never let go  
I know they're easy words to say but I mean it more then ever  
Your's is the kind of love, makes nothing else feel good enough  
And I'm never gonna give you up, oh no, oh no

Your's is the kind of love, makes nothing else feel good enough  
And I'm never gonna give you up, oh no, oh no  
Your's is the kind of love, makes nothing else feel good enough  
And I'm never gonna give you up, oh no, oh no, no, no, no
