

# Ain't the Future So Bright

[\*\*Richard Ashcroft\*\*](#)

You never thought it'd come to you  
You thought those days had gone  
    Yeah you've been low  
    You've been confused  
Forgotten what you'd done There's many corners still to left to turn  
    Many plates left to spin  
    When will you ever learn?  
Life ain't just about the pain Yeah it's been a long time  
    Since I felt that sunshine  
    Lord I can't believe it  
    I'm too numb to feel it  
    I'm out on the runway  
Far I want to fly away Keep that narrow line  
    There's something in your mind  
    Let's talk about it  
    Ain't the future so bright  
Now you're in love, oh yeah Let's talk about it  
    Ain't the future so bright  
Now you're in love, oh yeah  
    Let's talk about it  
    Future love  
    Future love  
    Oh Oh Yeah  
Future love There's so many things that you want to learn  
    But you know there's no time  
When the whole world falls apart  
    Without a reason or a rhyme  
    Yeah it's been a long time  
Since I felt that sunshine Lord I can't believe it  
    I'm too numb to feel it  
    I'm out on the runway  
    Far I want to fly away  
    Keep that narrow line  
    It's you who's in my mind  
Ain't the future so bright Now you're in love, oh yeah  
    Let's talk about it  
    Ain't the future so bright  
Now you're in love, oh yeah  
    Let's talk about it

The grief of ....  
Purvey and live by the .... , oh yeahLook at the track were laying  
As they acting out  
Suspend the mutual ....  
We can live forever, oh  
We can live right now  
Turn up the heat  
Oh, don't make a sound  
I've been a witness to your crimes, ohIll be you're mirror, oh  
Ill forgive ya  
Ain't the future so bright  
Now you're in love, oh yeah  
Let's talk about it  
Ain't the future so bright  
Now you're in love, oh yeah  
Let's talk about it
