LINKIN PARK

I wanna be in another place
I hate when you say, you don't understand
I wanna be in the energy, not with the enemy
A place for my head I watch how the moon sits in the sky on a dark night
Shining with the light from the sun
The sun doesn't give the light to the moon assuming
The moon's gonna owe it one It makes me think of how you act to me
You do favors then rapidly
You just turn around and start asking me
About things that you want back from me I'm sick of the tension, sick of the hunger
Sick of you acting like I owe you this
Find another place to feed your greed
While I find a place to rest I'm sick of the tension, sick of the hunger
Sick of you acting like I owe you this
Find another place to feed your greed
While I find a place to rest I wanna be in another place
I hate when you say, you don't understand
(You'll see it's not meant to be)
I wanna be in the energy, not with the enemy
A place for my head I wanna be in another place
I hate when you say, you don't understand
(You'll see it's not meant to be)
I wanna be in the energy, not with the enemy
A place for my head
I wanna, I wanna, I wanna, I wanna Two, two, three, three, yo, yo, yo
Give me energon to keep me calm
You and your mom, keep on the dram
Used to be a team, passed that baton
But you flop that bomb as you drop that bomb Take it to the John, your Babylon
Flushed down with the sound that you carry on
I don't really give a dang, you pissed on my lawn
Took a dump like a punk, now, the battle's on So sick of you stressing, sick of you fessing
Sick of you acting like I owe you some
Find another place to feed your face
If you don't, we gon' bump, get it up here, crunk So sick of you stressing, sick of you fessing
Sick of you acting like I owe you some
Find another place to feed your face
If you don't, we gon' bump, get it up here, crunk I wanna be in another place
I hate when you say, you don't understand

(You'll see it's not meant to be)
I wanna be in the energy, not with the enemy
A place for my head I wanna be in another place
I hate when you say you don't understand
(You'll see it's not meant to be)
I wanna be in the energy, not with the enemy
A place for my head You try to take the best of me
You try to take the best of me, go away
You try to take the best of me
You try to take the best of me, go away You try to take the best of me
(Go away, go away)
You try to take the best of me, go away
(Go away, go away, go away, go away) You try to take the best of me
(Go away, go away, go away, go away)
You try to take the
(Go away, go away, go) Go away, you try to take the best of me
Go away, you try to take the best of me
Go away, you try to take the best of me
Go away, you try to take the best of me Go away, you try to take the best of me
Go away, you try to take the best of me
Go away, you try to take the best of me
Go away, you try to take the best of me
Go away, you try to take the best of me
Go away, you try to take the best of me
Go away, you try to take the best of me
Go away from me
