Return Of The Biz Dance

Biz Markie

[Marley:] Aiyyo aiyyo, aiyyo Biz whattup?
[Markie:] Yo whattup Marl?
[Marley:] Yo man 'member when we first shocked everybody
[Marley:] With a funky fresh beat?
[Markie:] Yeah with the "Biz Dance," and you know
[Marley:] And "Make the Music" and all
[Markie:] Word!
[Marley:] Yo remember we had the "Biz Dance"
[Marley:] Yo we should get a funky beat and redo it man
[Markie:] Yo, I'm I'm bringin it back out
[Markie:] It's gon' be called, "The Return.. of the Biz Mark"

Go Biz Mark! [Repeat x 16]

I'm the Biz Markie, I'm known for beatboxin and rap
And now it's time, to bring my funky dance back
And once again, puttin you in a trance
In case you all forgot it it's called the Biz Dance
A movement by the body that's made like a puppet
I'm here to bring it back, and party people love it
So everybody knowin', and those who want to learn
Get up and move your body as I return

[Chorus:]
Wit the Biz Mark, Biz Mark...
Go Biz Mark! [Repeat x 4]
Wit the Biz Mark, Biz Mark...
Go Biz Mark! [Repeat x 4]
Wit the Biz Mark, Biz Mark...
Go Biz Mark! [Repeat x 4]
Wit the Biz Mark, Biz Mark...
Go Biz Mark! [Repeat x 4]

Well I'm here to show you like a dance that never dies
That's put inside within yo' TV Guide
A movement of the body that can't be beat
It's like done by the creatures on Sesame Street
Now I can move my body when I'm dancin' at a party
Like a ballerina that's drunk on Bacardi
I start to think of pop-and-twist

You think James Brown is wild, ah bust this!

[Chorus]
