

Us Against the World

Play

There is no one else that I can say this to
And there is nothing better than a talk to you
If you have a problem, I'll be here for you
'Cause, girl, you always know that
It's us against the world I met someone the other night
Someone I really started to like
How will I know if he's right for me
Wonder if we are meant to be Don't start to like him
Too much, too soon There is no one else that I can say this to
And there is nothing better than a talk to you
If you have a problem, I'll be here for you
'Cause, girl, you always know that
It's us against the world You know that boy I started to see
He thinks he could have it all for free
I wonder if he's the one for me
I tried to talk to myself and to see Don't start to like him
Too much, too soon There is no one else that I can say this to
And there is nothing better than a talk to you
If you have a problem, I'll be here for you
'Cause, girl, you always know that
It's us against the world There is no one else that I can say this to
And there is nothing better than a talk to you
If you have a problem, I'll be here for you
'Cause, girl, you always know that
It's us against the world Whenever you're near
There is no fear
It feels like there's nothing I can't do
You make me feel strong
'Cause it's here with you that I belong There is no one else that I can say this to
And there is nothing better than a talk to you
If you have a problem, I'll be here for you
'Cause, girl, you always know that There ain't nobody else but you
That makes me feel the way that I do
There ain't nobody else but you
It's us against the world There is no one else that I can say this to
And there is nothing better than a talk to you
If you have a problem, I'll be here for you
'Cause, girl, you always know that
It's us against the world There is no one else that I can say this to

And there is nothing better than a talk to you
If you have a problem, I'll be here for you
'Cause, girl, you always know that
It's us against the world
