

# Peace Pipe

## B.T. Express

Put it in your peace pipe  
(Yeah)  
Smoke it on up  
(What say?)  
Put it in your peace pipe  
(Everybody get some)  
Smoke it on up  
(Everybody get a little)  
Put it in your peace pipe  
(Peace)  
And pass it around  
Put in some love  
And some understanding  
Add a little humanity  
Put in some faith  
Wonderful kindness  
Light it up and pass it to me  
Put it in your peace pipe  
(Yeah)  
Smoke it on up  
(What you say)  
Put it in your peace pipe  
Smoke it on up  
(Everybody get a little)  
Put it in your peace pipe  
(What you say)  
Smoke it on up  
Maybe some truth will start the passion  
Add a spoon of brotherly love  
Then form a line for all mankind  
And pass it right around the world  
Smoke it, smoke it  
Smoke it, smoke it  
Smoke it, smoke it  
Smoke it, smoke it  
Smoke it, smoke it  
Put it in your peace pipe  
(Yeah)  
Smoke it on up

(What you say)  
Put it in your peace pipe  
(Have a little understanding)  
Smoke it on up  
(Yeah)  
Put it in your peace pipe  
(Peace)  
And pass it around  
Put it in your peace pipe  
(All the world?)  
(Europe)  
Smoke it on up  
(Africa)  
Put it in your peace pipe  
(Asia)  
Smoke it on up  
(Germany)  
Put it in your peace pipe  
Smoke it on up  
(And pass it around)  
Put it in your peace pipe  
(Add a little bit)  
Smoke it on up  
(Peace)  
Put it in your peace pipe  
And pass it around
