

Eyes of a Child

Ramin Karimloo, Pete Huntingdon, Tom Nichols, Math

We balance on this fragile wire,
Hanging in the air.
We learn to trust, we climb, we fall.
It's hard to live life here. Eyes closed, I'm safe home.
Memories still so clear. Take me back to those innocent hours
Where time flies, and truth lies.
Take me back when the world was ours,
Forever and together.
Hey, let's look a while
Through the eyes of a child.
Winter's tears turn toys to rust
Can't play those games no more.
I went to sleep without a care in the world
And woke to find dreams gone. Eyes closed, I'm safe home.
Memories I hold dear, oh. Take me back to those innocent hours
Where time flies, and truth lies.
Take me back when the world was ours,
Forever and together.
Hey, let's look a while
Through the eyes of a child. Eyes closed, I'm safe home.
Memories I hold dear.
Take me back to those innocent hours
Where time flies, and truth lies.
Take me back when the world was ours,
Forever and together.
Hey, let's look a while
Through the eyes of, the eyes of a child.
