Let There Be Love

Oasis

Who kicked a hole in the sky So the heavens would cry over me? Who stole the soul from the sun In a world come undone at the seams?Let there be love Let there be loveI hope the weather is calm As you sail up your heavenly stream Suspended clear in the sky Are the words that we sing in our dreamsLet there be love

Let there be love Let there be love

Let there be loveCome on, baby blue

Shake up your tired eyes

The world is waiting for you

May all your dreaming fill the empty skyBut if it makes you happy

Keep on clapping

Just remember I'll be by your side

And if you don't let go, it's gonna pass you by Who kicked a hole in the sky

So the heavens would cry over me?

Who stole the soul from the sun

In a world come undone at the seams?Let there be love

Let there be love

Let there be love

Let there be loveLet there be love

Let there be love

Let there be love

Let there be loveLet there be love
