# Love In The Lies

## Amos Lee

I aint no wide eyed rebel
Oh, but I aint no preachers son
And now I see the trouble
And all the loving that I have doneAnd the world aint no harder
Than its ever been
Looking for love
In the lies of a lonely friendAnd so much superstition
And so much worry in my heart
I need a new religion
Its time to make a brand new startAnd the world aint no easier
Than its ever been
Looking for love
In the lies of lonely friendRemember when we were in California
We were so much happier then
Now were back in New York City
Looking for love in the lies of a lonely friendAnd now the clocks are running
And no one knows where time goes
You know the moon is stunning
Its only shadows that she showsAnd the world aint no harder
Than its ever been
Looking for love
In the lies of lonely friendI aint no wide eyed rebel
Oh, but I aint no preachers son
