A Woman Can Change a Man

Boney M.

A woman can change a man
If she loves him, the way that I'm in love with you
I know it, I know that I can
If it's the last thing, the last thing I'd ever doSo you may still feel the same old yearning
Believe me the flame will soon stop burningA woman can change a man
If she stays with him whatever maybe in store for her
So just put, your trust in me
I'll never hurt you baby, I'll never desert you babeIt feels so good just to be near you
To feel your lips, to see and hear you
Ah...ah...ah...ah...ah...I'll be forever your shadow, walking next to you
Caring for you, is what I won't do for you baby
A woman can change a man
Make him want her, and make him want to be with her
Oh baby I've no secret plans
I just hope in my heart, someday you'll be free of herSo you may still feel the same old yearning
Believe me the flame will soon stop burningAh...ah...ah...ah...ah...
Ah...ah...ah...ah...ah...
