

# Young and Free (feat. Priyanka Chopra)

## Will Sparks

Is that what love is all about?  
Body, storms and waterfalls  
Waiting, who's the first to call?  
Waiting, who's the first to fall?  
Is that what love is all about?  
Stone, wine and butterflies  
Staring lights and losing time  
Give it all, take what's mine  
Is that what love is all about?  
Won't mind, sleep through the day  
Close my eyes, push it all away  
Rainbow drops falling down my face  
And I'm kissing down the skylines  
Play, we fight until we break  
Neon days getting wasted away  
Crashing down from a high, we fade  
Love is the richest life Run away with me  
As long as we're young and free  
Run away with me  
'Cause we don't know where we're gonna be  
We can let go, we can let go  
Can we let go? Heaven only knows where we're gonna go  
Run away with me  
As long as we're young and free  
Drop]  
Run away with me  
As long as we're young and free  
Run away with me  
'Cause we don't know where we're gonna be  
We can let go, we can let go  
Can we let go? Heaven only knows where we're gonna go  
Run away with me  
As long as we're young and free  
Run away  
1, 2, 3, let's go
