Street lobotomy

Body Count

Drugs, liquor, drugsI love to smoke crack
I love to shoot smack
I love to fuckin' drink
I love my smoke when it stinks
I need it in my veins
I need it in my brain
What has it done to me,
Street lobotomy[Chorus]
My brain melted down
Brain melted down lobotomyNeed some more dope man
Yeah got
Any acid dude
Got any ludes[Chorus]Drugs, liquor, drugs ?I love to do blow
That's the way to go
You got some PCP ?
How 'bout some LSD ?
I'm havin' lots of fun
I might as well use a gun
Don't even ask my why
Maybe I want to die[Chorus]
