

# Don't Call Me Baby

## Voice Of The Beehive

Don't call me baby  
When she is waitin' in the car  
It took so long to get this far  
Don't call me baby You said forever  
And then you went and changed your plans  
You said that someday I would understand  
But I still wonder I wonder why we are not walkin'  
And fightin' and asking for favors  
Meetin' at midnight  
While avoidin' all the neighbors Time is a distance that you can't retract by miles  
If I saw you again I'd smile  
But I'd say  
Don't call me baby When she is waitin' in the car  
It took so long to get this far  
Don't call me baby I think, she's pretty  
And I think that you have done quite well  
I still say, you can never tell  
I wouldn't be surprised You'll never know, we could be walkin'  
And fightin' and asking for favors  
Meetin' at midnight  
While avoidin' all the neighbors Time is a distance that you can't retract by miles  
If I saw you again, I'd smile  
But I'd say  
Don't call me baby When we were not the way we are  
It took so long to get this far  
Don't call me baby Sometimes I'm down  
I think I see you  
But I don't say a word  
Because there is somebody new It's too late to matter  
But no such thing is true  
You're in the shadows  
'Til you left me in the dark Don't call me  
Don't call me  
Don't call me Don't call me baby  
Don't call me baby  
Don't call me baby  
Don't call me baby Baby  
Don't call me baby  
Don't call me baby
