Don't Worry 'Bout Me

Joni Mitchell

Don't worry 'bout me
I'll get along
Forget about me
Just be happy my loveLet's say that our little show is over
And so the story ends
Why not call it a day the sensible way
And still be friendsLook out for yourself
That should be the rule
Give your heart and your love
To whomever you love
Darlin' don't be a foolWhy do we cling to this old faded thing
That used to be
So if you can forget
Then don't worry 'bout me
