

Heart Attack

Trey Songz

Turn the lights on ohhhhh ohhhhh
We share somethin' so common, still so rare,
and I'm in awe, never been here before,
so high, we're still climbing,
even here inside these walls,
breaking each others hearts,
and we don't care 'cause we're so
in too deep can't think about givin' it up,
but i never knew love, would feel like a heart attack,
it's killing me, swear i never cried so much,
'cause i never knew love, would hurt this this fu**in bad,
worst pain that i ever had, Ohhhhh
never knew love, would hurt this fu**ing bad,
worst pain that i ever had, All the times when i know i should be smilin',
seem to be the time, that i frown the most,
can't believe that we're still survivin',
'cause I'm slowly breakin' down,
even when i hold you close, And if i lose you,
I'm afraid i would lose who,
who i gave my love to (you),
that's the reason i stay around,
even though i fell way,
in too deep can't think about givin' it up,
but i never knew love, would feel like a heart attack,
it's killing me, swear i never cried so much,
'cause i never knew love, would hurt this fu**in bad,
worst pain that i ever had, Ohhhhhh
never knew love, would hurt this fu**in bad,
worst pain that i ever had,
and it hurts, cause i wanna leave,
and you wanna leave,
but the love keeps us together, And if i lose you,
I'm afraid i would lose who,
who i gave my love to,
that's the reason i stay around,
even though i fell way,
in too deep can't think about givin' it up, oh
but i never knew love, would feel like a heart attack,
it's killing me, swear i never cried so much,

'cause i never knew love, would hurt this fu**in bad,
worst pain that i ever had,Ohhhhh
never knew love, would hurt this fu**in bad,
worst pain that i ever had
