A Certain Romance

Arctic Monkeys

Well oh they might wear classic Reeboks
Or knackered Converse or tracky bottoms tucked in socks
But all of that's what the point is not

The point's that there ain't no romance around thereAnd there's the truth that they can't see

They'd probably like to throw a punch at me

And if you could only see them, then you would agree

Agree that there ain't no romance around there You know, oh it's a funny thing you know We'll tell 'em if you like, we'll tell 'em all tonight

They'll never listen because their minds are made up

And course it's all okay to carry on that way'Cause over there, there's broken bones

There's only music, so that there's new ringtones

And it don't take no Sherlock Holmes

To see it's a little different around hereDon't get me wrong, oh there's boys in bands And kids who like to scrap with pool cues in their hands

And just 'cause he's had a coupla cans

He thinks it's alright to act like a dickheadDon't you know, oh it's a funny thing you know

We'll tell 'em if you like, we'll tell 'em all tonight

They'll never listen because their minds are made up

And course it's all okay to carry on that wayBut I said no, oh no

Well oh you won't get me to go

Not anywhere, not anywhere

No I won't go, oh no noWell over there there's friends of mine

What can I say, I've known 'em for a long long time

And yeah they might overstep the line

But I just cannot get angry in the same way

No not in the same way, so not in the same way

Oh no, oh no no
