

Haircut and a Shave

[Amy Rivard](#)

HAIRCUT AND A SHAVE

If you've got some karma to be paid
Like a hit, it can get you
At a haircut and a shave
You better watch out, karma knows your name
You can't hide behind a haircut and a shave. Born a Catholic boy in Italy,
He came to America, to New York City
He was rough, yeah, that boy was mean
he was sentenced to death at just 19 If you've got some karma to be paid
Like a hit, it can get you
At a haircut and a shave
You better watch out, karma knows your name
You can't hide behind a haircut and a shave.
Disappeared, the witnesses did
Hence a mistrial, Anastasia lived
Off this time and times too many
But then one day he 'd pay a plenty If you've got some karma to be paid
Like a hit, it can get you,
At a haircut and a shave
You better watch out, karma knows your name
You can't hide behind a haircut and a shave. With his bodyguard outside
Albert relaxed back in his chair
The barbershop quintet some say
Brought him to his final lair
The first rounds were shot
Albert leapt towards what he thought
Were the hired assassins
someone had bought
But all was against him,
even the mirror's was on karma's side,
cuz when karma's in control,
there's no where you can hide. So if you're bad and if you're mean
If you've hurt someone and justice went unseen
There's a cosmic law, oh it's in control
Karma's got a plan, you better save your soul.
