

Army of Me

[Björk](#)

Stand up you got to manage
I won't sympathize anymore
And if you complain once more
You'll meet an army of me
And if you complain once more
You'll meet an army of me
You're alright there's nothing wrong
Self-sufficiency please and get to work
And if you complain once more
You'll meet an army of me
And if you complain once more
You'll meet an army of me
Army of me
You're on your own now
We won't save you
Your rescue squad
Is too exhausted
And if you complain once more
You'll meet an army of me
And if you complain once more
You'll meet an army of me
And if you complain once more
You'll meet an army of me
And if you complain once more
You'll meet an army of me
Army of me
