I just want you close
Where you can stay forever
You could be sure
That it will only get betterYou and me together
Through the days and nights
I don't worry 'cause
Everything's gonna be alrightPeople keep talking
They could say what they like
But all I know is
Everything's gonna be alrightAnd no one, no one, no one
Can get in the way of what I'm feeling
No one, no one, no one
Can get in the way of what I feel
For you, you, you
Can get in the way of what I feel for youWhen the rain is pouring down
And my heart is hurting
You will always be around
This I know for certainYou and me together
Through the days and nights
I don't worry 'cause
Everything's gonna be alrightPeople keep talking
They could say what they like
But all I know is
Everything's gonna be alrightNo one, no one, no one
Can get in the way of what I'm feeling
No one, no one, no one
Can get in the way of what I feel
For you, you, you
Can get in the way of what I feelI know some people search the world
To find something like what we have
I know people will try
Try to divide something so real
So 'til the end of time
I'm telling you there isNo one, no one, no one
Can get in the way of what I'm feeling
No one, no one, no one
Can get in the way of what I feel for you
