

# Tribute (Right On)

## The Pasadenas

Hey, listen up yow! This rhythm is a mama!

Hey I want to tell you a story  
It's about the groove  
All Right now look hope here  
Hope it makes you move  
And get's the rhythm too  
Yeah oh yeah

Well there's music from the past  
Music for the young and old  
Music revelation rock and roll and soul

Ref:

Right on right on  
Right on (repeat)

There was Little Richard ( Tutti Fruti)  
And Elvis too (shook up, shook up, shook up)  
Way back in the fifties ( way back, way back, way back)  
There were doing it for me and you

Well I know there is way  
With music we can say  
These songs are in our blood  
So let them play 'cause it's happening today

Ref:

Right on right on  
Right on (repeat)

And we see it all so clear  
The music while we are here  
And we need it everyday  
No doubt about it we can show the way

Talking about Sam cooke  
Jackie Wilson was their names  
Ever since then things ain't been the same  
(ain't be the same)

Otis Redding God may rest his soul  
Play back James Brown  
How slides I don't know Bram

There's Motor City that gave us the motown tunes  
They laid the foundation lord  
And made Detroit some thing new  
Yeahwe're talking about Marvin Gaye  
(What's going on)  
Little Stevie ( For once in my life)  
Smokey ( Tears of a Clown)  
Supremes ( Baby love)

Ref:

Right on right on  
Right on (repeat)

Ike and Tina Right on right on  
Aretha Franklin Right on right on  
Jimmy Hendrix Right on right on  
Sound of Philly The Jackson %  
All these sounds are still alive

Who

Blow horacle blow  
Were right on rigt
