Not Happy Now

Treeball

Wait

Till you fell part of
This thing called love
Your eyes belie the truth
You must wait

For the caracul
Of your wasted youth
The money spirals high

Donâ€™t you wanna have it all
Your not happy now
Your not happy now

Donâ€™t you wanna have it all
Your not happy now
Your not happy now

Donâ€™t you wanna have it all

Have it all

Believe in the moan chefs
Of industry
The eyes are doted now
Your all but waste
For the simple things
The pleasant doubts
Experience nuance

Donâ€™t you wanna have it all
Your not happy now

Your not happy now

Donâ€™t you wanna have it all
Your not happy now
Your not happy now

Donâ€™t you wanna have it all

Have it all

Have it all

Have it all
Uuuoh
uuuoh
uuuoh
uuuoh
uuuoh
uuuoh

Donâ€™t you wanna have it all
Your not happy now
Your not happy now
Happy now.
