

# Shine (Danny L Harle Remix)

## Years & Years

I remember us alone  
Waiting for the light to go  
Don't you feel that hunger  
I've got, so many secrets to show  
When I saw you on that stage  
I shiver with the look you gave  
Don't you hear that rhythm, can you  
Show me how we can escape(Ooh oh oh oh, ooh oh oh ooh)  
I was biting my tongue  
I was trying to hide  
(Ooh oh oh oh, ooh oh oh ooh)  
I'll forget what I've done  
I'll be redefinedIt's shaking the sky  
And I'm following lightning  
I'll recover if you keep me alive  
Don't leave me behind  
Can you see me I'm shining  
And it's you that I've been waiting to find  
I'm holding it all tonight  
I'm folding it all tonight  
You know that you make it shine  
And it's you that I've been waiting to find  
I'm holding it all tonight  
I'm folding it all tonight  
You know that you make it shine  
It's you that I've been waiting to findNow that we can hear that sound  
Now that you can hold me down  
You can pull me under  
You can raise everything to the ground  
Everything I can arrange,  
Every part of me you change  
Just hold me together, tell me  
You'll always want me to stay(Ooh oh oh oh, oh oh oh ooh)  
I was biting my tongue  
I was trying to hide  
(Ooh oh oh oh, oh oh oh ooh)  
I'll forget what I've done  
I'll be redefinedIt's shaking the sky  
And I'm following lightning

I'll recover if you keep me alive  
Don't leave me behind  
Can you see me I'm shining  
And it's you that I've been waiting to find I wanna be the one you steal  
I wanna be the one you shield  
I wanna be the one  
That your love, that your love  
Can heal  
I wanna be the one you steal  
I wanna be the one you shield  
I wanna be the one  
That you'll love, that you'll love It's shaking the sky  
And I'm following lightning  
I'll recover if you keep me alive  
Don't leave me behind  
Can you see me I'm shining  
And it's you that I've been waiting to find  
I'm holding it all tonight  
I'm folding it all tonight You know that you make it shine  
It's you that I've been waiting to find  
I'm holding it all tonight  
I'm folding it all tonight  
You know that you make it shine  
It's you that I've been waiting to find  
It's you that I've been waiting to find  
It's you that I've been waiting to find
