Born to Lose

The Bouncing Souls

Born to lose I've lived my life in vain
All my dreams have only caused me pain
All my life I've always been so blue
Born to lose and now I'm losing you
Born to lose it seems so hard to bear
How I long to always have you near
You were all the happiness I knew
Born to lose and now I'm losing you
Born to lose I can't believe your gone
Its so hard to face that empty dawn
All my life I've always been so blue
Blue that is
Born to lose and now I'm losing you
There's no use still dream of happiness
I'll I see is only loneliness
All my life I've always been so blue
Born to lose and now I'm losing you
