

# Say A Prayer

Taylor Dayne

Say a little prayer for you  
Say a little prayer for you  
Well, I remember when  
You were my only friend You took the time  
When on one else cared  
You gave love endlessly  
And then you proved to me No matter what  
You'd always be there  
And now I understand  
Just how life's little plan Can make it rough to say forever  
But you've been there for me  
So that's my guarantee  
That we will always be together When I have sleepless nights  
That's when you hold me tight  
You do it right  
I say a little prayer for you And when my dreams are through  
I only think of you  
'Cause you do it right  
I'll say a little prayer for you We've had good times that's true  
We've had our bad times too  
But through it all  
It makes us stronger We'll have to build our trust  
Because it means too much  
To give away to any other  
And now I understand Just how life's little plan  
Can make it rough to say forever  
But you've been there for me  
So that's my guarantee  
That we always be together [Chorus]  
I say a little prayer for you  
Alright, come on  
Say it, say it, say it, say it, say it  
Alright, say a prayer  
Alright, come on  
I'll say a little prayer for you  
Say it, come on  
I'm prayin'  
I'll say a little payer for you And now I understand  
Just how life's little plan

Can make it rough to say forever  
But you've been there for me So that's my guarantee  
That we will always be together  
I say a little prayer for you  
I will Say a little prayer for you [Chorus] So far away [Chorus] My baby, my love
