

# What a Feeling (feat. Kelly Rowland)

[Alex Gaudino](#)

I, I wasn't even searching for love  
That's usually right when it creeps up on you  
And I know, in my heart it's true Oh yeah Boy you got my attention, what's up?  
My heart is beating  
Your screaming got me open so much  
I think I'm dreaming Got my hands way up  
I surrender to love [Estribillo] What a feeling  
To let it all go  
What a feeling  
I'm losing control  
What a feeling  
Feels like I'm on top of the world I used to think I'd never fall in love  
It's like my favorite star  
I used to stare at every night  
Came down from the sky Oh yeah When I love the way you touch  
My heart is beating  
Boy I just can't get enough  
You got my speechless Got my hands way up  
I surrender to love [Estribillo] What a feeling  
To let it all go  
What a feeling  
I'm losing control  
What a feeling  
Feels like I'm on top of the world
