

Hang Me Up To Dry (Ingo Star Cruiser Remix)

Cold War Kids

Careless in our summer clothes splashing around
In the muck and the mire
Careless in our summer clothes splashing around
In the muck and the mire
Fell asleep with stains
Cake deep in the knees
What a pain
Now hang me up to dry
You wrung me out
Too, too, too many times
Now hang me up to dry
I'm pearly like the whites
The whites of your eyes
All mixed up in the wash
Hot water bleeding our colors
All mixed up in the wash
Hot water bleeding our colors
Now hang me up to dry
You wrung me out
Too, too, too many times
Now hang me up to dry
I'm pearly like the whites
The whites of your eyes
Now hang me up to dry
You wrung me out
Too, too, too many times
Now hang me up to dry
I'm pearly like the whites
The whites of your eyes
Now hang me up to dry
You wrung me out
Too, too, too many times
Now hang me up to dry
I'm pearly like the whites
The whites of your eyes
