

What A Difference A Day Made

Deborah Cox

What a difference a day makes,
Twenty-four little hours,
Brought the sun and the flowers,
Where there used to be rain. My yesterday was blue dear,
Today I'm a part of you dear,
My lonely nights are through dear,
Since you said "you are mine". Oohhh, what a difference a day makes,
There's a rainbow before me,
Ski's above can't best me,
Since that moment of bliss,
That thrilling kiss. It's heaven when you,
Find romance on the menu,
What a difference a day,
And the difference is you. Oohhh, what a difference a day makes,
There's a rainbow before me,
Ski's above can't best me,
Since that moment of bliss,
That thrilling kiss. It's heaven when you,
Find romance on the menu,
What a difference a day made,
And the difference is you. The difference is you, ooohhh.
