

Change My Mind

One Direction

The end of the night
We should say goodbye
But we carry on
While everyone's gone Never felt like this before
Are we friends or are we more
As I'm walking towards the door
I'm not sure But baby if you say you want me to stay
I'll change my mind
'Cause I don't wanna know I'm walking away
If you'll be mine
Won't go, won't go
So baby if you say you want me to stay
Stay for the night
I'll change my mind Lean in when you laugh
We take photographs
There's no music on
But we dance along Never felt like this before
Are we friends or are we more
As I'm walking towards the door
I'm not sure But baby if you say you want me to stay
I'll change my mind
'Cause I don't wanna know I'm walking away
If you'll be mine
Won't go, won't go
So baby if you say you want me to stay
Stay for the night
I'll change my mind I'll change my mind Baby if you say you want me to stay
I'll change my mind But baby if you say you want me to stay
I'll change my mind
'Cause I don't wanna know I'm walking away
If you'll be mine
Won't go, won't go
So baby if you say you want me to stay
Stay for the night
I'll change my mind
