

# Black Man

## Stevie Wonder

First man to die  
For the flag we now hold high  
Was a black man  
The ground were we stand  
With the flag held in our hand  
Was first the redman's  
Guide of a ship  
On the first Columbus trip  
Was a brown man  
The railroads for trains  
Came on tracking that was laid  
By the yellow man  
We pledge allegiance all our lives  
To the magic colors red, blue and white  
But we all must be given  
The liberty that we defend  
For with justice not for all men  
History will repeat again  
It's time we learned  
This world was made for all men  
Heart surgery  
Was first done successfully  
By a black man  
Friendly man who died  
But helped the pilgrims to survive  
Was a redman  
Farm workers rights  
Were lifted to new heights  
By a brown man  
Incandescent light  
Was invented to give sight  
By the white man  
We pledge allegiance all our lives  
To the magic colors red, blue and white  
But we all must be given  
The liberty that we defend  
For with justice not for all men  
History will repeat again  
It's time we learned

This world was made for all men  
Here me out  
Now I know the birthday of a nation  
Is a time when a country celebrates  
But as your hand touches your heart  
Remember we all played a part in America  
To help that banner wave  
First clock to be made  
In America was created  
By a black man  
Scout who used no chart  
Helped lead Lewis and Clark  
Was a redman  
Use of martial arts  
In our country got it's start  
By a yellow man  
And the leader with a pen  
Signed his name to free all men  
Was a white man  
We pledge allegiance all our lives  
To the magic colors red, blue and white  
But we all must be given  
The liberty that we defend  
For with justice not for all men  
History will repeat again  
It's time we learned  
This world was made for all men  
This world was made for all men  
This world was made for all men  
This world was made for all men  
God saved His world for all men  
All people  
All babies  
All children  
All colors  
All races  
This world's for you  
And me  
This world  
My world  
Your world  
Everybody's world  
This world  
Their world  
Our world
