Black Man

Stevie Wonder

First man to die For the flag we now hold high Was a black man The ground were we stand With the flag held in our hand Was first the redman's Guide of a ship On the first Columbus trip Was a brown man The railroads for trains Came on tracking that was laid By the yellow man We pledge allegiance all our lives To the magic colors red, blue and white But we all must be given The liberty that we defend For with justice not for all men History will repeat again It's time we learned This world was made for all men Heart surgery Was first done successfully By a black man Friendly man who died But helped the pilgrims to survive Was a redman Farm workers rights Were lifted to new heights By a brown man Incandescent light Was invented to give sight By the white man We pledge allegiance all our lives To the magic colors red, blue and white But we all must be given The liberty that we defend For with justice not for all men History will repeat again It's time we learned

This world was made for all men

Here me out

Now I know the birthday of a nation

Is a time when a country celebrates

But as your hand touches your heart

Remember we all played a part in America

To help that banner wave

First clock to be made

In America was created

By a black man

Scout who used no chart

Helped lead Lewis and Clark

Was a redman

Use of martial arts

In our country got it's start

By a yellow man

And the leader with a pen

Signed his name to free all men

Was a white man

We pledge allegiance all our lives

To the magic colors red, blue and white

But we all must be given

The liberty that we defend

For with justice not for all men

History will repeat again

It's time we learned

This world was made for all men

God saved His world for all men

All people

All babies

All children

All colors

All races

This world's for you

And me

This world

My world

Your world

Everybody's world

This world

Their world

Our world

This world was made for all men
Here me out

Who was the first man to set foot on the North Pole?

Matthew Henson, a black man

Who was the first American to show the Pilgrims at Plymouth

The secrets of survival in the new world?

Squanto, a redman
