

The Travellers, Part 1

Stone Sour

I think Im happy
Mostly happy
On a green autumn day
Im walking lazy
Barely moving
Settle out and fade away Seems a life is something more than a journey with no end
I just want to lose it all and find myself again
Im on my own
Im on my own I dont need a conscience to tell me how I feel
I dont need these weary eyes to focus on what to conceal
I dont need anybody to tell me who I am
Blame it on a broken heart
Im falling apart again
