

Faith Can Move Mountains

[Nat King Cole](#)

Faith can move mountains
Darling, you will see
I can move mountains
If you have faith in meFaith can work magic
This I find with you
Yours is the magic
To make my wishes come trueSo tell me again you love me
Kiss me and I'll be strong
What couldn't I do when I know that you
Are here to help me along?Yes, faith can move mountains
Darling, you will see
I can move mountains
If you have faith in meSo tell me again you love me
Kiss me and I'll be strong
What couldn't I do when I know that you
Are here to help me along?Yes, faith can move mountains
Darling, you will see
I can move mountains
If you have faith in meYes, I can move mountains
If you have faith in me
