

Mannequin Factory

Porcelain Black

Oh, they gonna love us
Oh, they gonna love us
We're beautiful, beautiful
Oh, they wanna kiss us
Oh, they wanna dress us
We're beautiful, beautiful Yeah, look at me
Tell me what you see
Am I, I a creep
'Cause I, I don't even know
Are you impressed
Do you like my dress
Am I worst or best
Oh wait, I don't really care No etiquette
What you see is what you get
Dressed in burlesque
While I'm hiding from the sun
Strut in the streets
Fashion on a freak
Look, look, look at me
I'm a, I'm a loaded gun Different strokes for different folks
Different strokes for different folks Oh, they gonna love us
Oh, they gonna love us
We're beautiful, beautiful
Oh, they wanna kiss us
Oh, they wanna dress us
We're beautiful, beautiful Oh oh oh oh oh
We're all mannequins
Oh oh oh oh oh
Built in a factory
Oh oh oh oh oh
We're all mannequins
Oh oh oh oh oh
Built in a factory Do you love me?
Am I your cup of tea?
Or am I too unique?
I, I, I just gotta know
Like slim or thick?
Screw a hole
Glue a stick

We're so Plastic
Are you, are you gonna come Out with the best?
Not dressed to impress
My lipstick's a mess
Oh wait, I don't really care
Knots in our hair
We like what we wear
So they stop and stare
But that, that's what makes it fun Different strokes for different folks
Different strokes for different folks Oh, they gonna love us
Oh, they gonna love us
We're beautiful, beautiful
Oh, they wanna kiss us
Oh, they wanna dress us
We're beautiful, beautiful Oh oh oh oh oh
