It's All Coming Back to Me Now

Sarah Geronimo

There were nights when the wind was so cold
That my body froze in bed
If I just listen to it right outside the window
There were days when the sun was so cruel
That all the tears turn to dust
And I just knew my eyes was drying up forever

I finished crying in the instant that you left
And I can't remember where or when or how
And I vanished every memory you and I have ever made
When you touch me like this
And you hold me like that
It's so hard to believe but it's all coming back to me

It's all coming bac, it's all coming back to me now
There were moments og gold and there were flashes of lights
There were things i'd never do again
But then they'd always seemed right
There were nights of endless pleasure
It was more than any laws allow, baby, baby

If i kiss u like this and if you whisper like that
It was lost long ago but it's all coming back to me
If you want me like this and if you need me like that
It was dead long ago but it's all coming back to me
It's so hard to resist but it's all coming back to me
I can barely recall but it's all coming back to me now

But you were history with the slamming of the door
And I made myself so strong again somehow
And I never wasted any of my time on you since then

When you touch me like this
And if you kiss me like that
It was so long ago but it's all coming back to me

When you touch me like this
If i kiss you like that
It was gone with the wind but it's all coming back to me

It's all coming back, it's all coming back to me now
There were moments of gold and there were flashes of lights
There were things i'd never do again
But then they'd always seemed right
There were nights of endless pleasure
It was more than on your laws allow, baby, baby...

When you touch me like this
And when you hold me like that
It was gone with the wind but it's all coming back to me
